A Poem from Sarah Brooks

I wrote this poem after my encounter while
sat outside in the early sun one morning at
holiday club, during the week that I would
have been in Ukraine.

Carving letters in the air
A message for me?

Disappear and reappear
Sun in eyes, can't see.

Settled on a tree close by,
Far from home, a dragonfly.

Mini Market

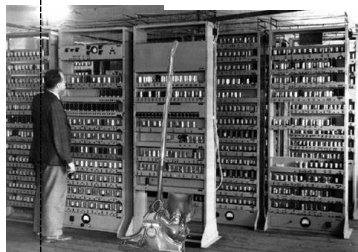

We are planning to re-open Mini Market
on **Monday 4th Oct, 9:30-11:30 am**. There
will be a few changes including waitress
service and other measures to keep us all
safe but sausage rolls, fruit toast,
homemade cake and a warm welcome
will still be on the menu!

Although the Church Stall will be up and
running, please note we will not be
accepting any donations for the stall at
the moment.

Looking forward to seeing you again

SEEABILITY

Live. Love. Thrive. Belong.

Mark is running the Virtual London Marathon.

<https://uk.virginmoneygiving.com/MarkBrooks19>

I am running the virtual London Marathon on the Sunday 3rd October to Southsea and back, raising money for SeeAbility (The Royal School for the Blind, Leatherhead).

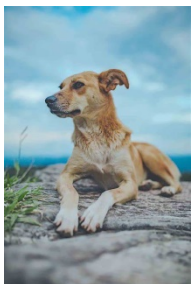

They looked after my great uncle, Samuel James Brooks from 1889 to 1909. He was appointed Organist & Choir Master of St. Andrews Church, Oxshott in 1909. SeeAbility support people with blindness or partial sight to achieve their goals particularly those with additional disabilities.

To find out more about the work of SeeAbility or to donate click on the link above.

If you wish to donate in another way my contact details are in the church directory.

Life Explained - This about sums it up....

On the first day, God created the dog and said:
'Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years.'

The dog said: 'that's a long time to be barking. How about only ten years and I'll give you back the other ten?'

So God agreed.

On the second day, God created the monkey and said:
'Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span.'

The monkey said: 'Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the Dog did?'

And God agreed.

On the third day, God created the cow and said:

'You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family.

For this, I will give you a life span of sixty years.'

The cow said: 'That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?'

And God agreed again.

On the fourth day, God created man and said:

'Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years.'

But man said: 'Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?'

'Okay,' said God, 'You asked for it.'

So that is why for our first twenty years we eat, sleep, play and enjoy ourselves. For the next forty years we slave in the sun to support our family.

For the next ten years we do monkey tricks to entertain the grandchildren. And for the last ten years we sit on the front porch and bark at everyone.

Life has now been explained to you. There is no need to thank me for this valuable information. I'm doing it as a public service...

Thank you Ian.

Note from the Editor

Thank you everyone for all your articles and some I will keep for next time.

It's great that all clubs are starting back at church and we will be having our Messy Church get together on the green as well as coming into church on the 8th September.

I am walking with my family (well the girls) in the 5K Race of Life which is for Research into Cancer on the 31st October – if anyone would like to sponsor me please let me know. I do have a just giving page which the charity set up for the participants. I will of course mention this again next month when it is nearer the time.

The Next eFocus deadline will be October 1st.

Thinking ahead we will be continuing the focus online and we will print some copies which will be in church. This will help with saving on printing and paper which isn't a bad thing ... Please let me know what you think?

Worship & Meal at the Methodist Church

Imagine that:

You were born in the year 1900

You are 14 years old when World War 1 begins
and 18 years when it ends.

Result 22 million dead.

Soon after, a global pandemic, the Spanish flu,
will emerge. 50 million people die.

Fortunately, you are still alive and are now 20
years old.

When you are 29 years old, you survive the global economic crisis that started with
the breakdown of New York's stock exchange.

This led to inflation, unemployment and famine worldwide.

Meanwhile, since you are 33 years old, the Nazis will come to power in Germany.

Since you are 39 years old, Germany invades Poland, and begins World War II.

You are finally 45 years old when World War II ends.

Result 60 million dead. 6 million Jews die in the Holocaust.

Luckily you are still alive..

Since you are 64 years old, Americans started the war in Vietnam.

You are 75 when the war ended.

Luckily you are still alive ...

Now ...

A boy born in 1980 believes his grandparents have no idea how difficult life is. But
they survived several wars and disasters, not to mention the restrictions during the
first oil crisis in the early 1980s.

Today we live in a new world full of comfort, but unfortunately in the midst of a new
pandemic.

People complain about staying at home for weeks while they have power, cell
phones, food, hot water and a safe roof over their heads.

None of that existed in previous times.

But humanity survived these circumstances and they never lost their joy of life.

Today we complain because we have to wear face masks to enter the supermarkets.

A small change in our mind and mentality can work miracles.

We want to thank you and me who are still alive if we want to do everything
necessary to protect and help each other.

Makes you think – thank you Bobby

Junior Fun Church and Messy Church Return

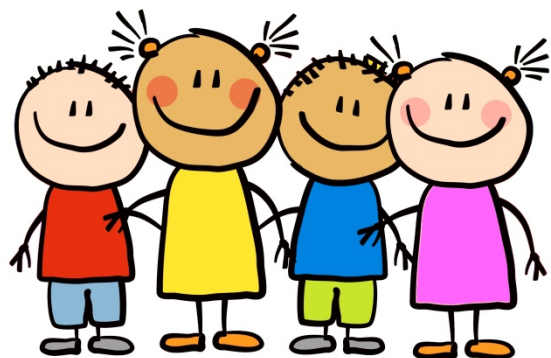

JFC resumes in person in church on Sunday 5th September! After over a year of relying on electronic communications with activities emailed and placed on the church website, children and young people can meet together from September onwards.

September 2020 saw the promotion of two of our young people with Olive moving to the Juniors and Naomi to Seniors. Their books were delivered to their homes. There are no promotions for September 2021.

Messy Church has continued delivering packs to families each month and then joyfully met for a picnic and activities outside on Trinity Green in July.

On Wednesday September 8th, Messy Church will resume on Trinity Green (weather permitting) before moving across to the Methodist Church for worship and food.

Please pray for all the children, young people and families involved and the leaders and helpers in their preparation

Ministry of Flowers

As the church reopens we are hoping to start providing and delivering flowers from September.

Thank you to all who have offered to continue on the delivery rota.

I have put a rota for providers on the noticeboard in the Church corridor, if you could add your name that would be much appreciated. If you would like to make a contribution to the flower fund could you put your donation in an envelope addressed to me and pass it on to a Church Steward, thank you.

I would be delighted if anybody would like to join me in helping with the ministry of flowers in the church.

Vestry Jottings

We are now in September when things hopefully start getting back to “normal “. We have had some wonderful services in church with numbers picking up.

We started with a Songs of Praise on the 15th August. A big thank you to all who took part. On Sunday 22nd August we had the URC joining us with Revd. Claire leading the service. Sunday the 5th September is our Covenant service which will be led by Revd. Claire and drinks will be served.

Our Harvest Festival is the 19th September lead by Les Judd. We would like donations for the Food Bank and toiletries that can be given to the Fareham College.

We have Gatherings for Worship coming up in October and November. Ideas and volunteers for these services would be appreciated.

By the time this is published we should have had our first Thursday morning Coffee centre, organised by Penny and at the beginning of October Mini Market should be up and running.

Please keep all these activities in your prayers, along with Messy church and possibly Sunday lunches.

Rotas will be in place for various things, i.e. flowers, welcome area stewards and coffee bar.

Calling all those
who knit and
crochet!

We have been approached by a new local funeral director in Fareham, Just Cremation on West Street, to see if we would like to be involved in a community project to work with them on displays in our church and in their office window to commemorate the period of remembrance at the start of November.

To take part we would like to ask anyone who can knit or crochet to make some woollen poppies that can be used to make a display at the front of our church (which we will take to the URC for our joint service on Remembrance Sunday) and in the window at Just Cremation. Patterns are available from Maggie Wheeler or online.

We would need all poppies completed and collected / left at the church by October 17th to give us time to create a display.

NB If you use a pattern that has been provided in association with the Royal British Legion you are invited to respond by making a personal donation.
