

Hello from the Junior Fun Church at Fareham Methodist Church

Can you remember going somewhere for the first time?

How were you made to feel welcome?

Jesus welcomes everyone no matter who they are and as He says in the Bible, 'Whatever you do for others you do it for me' and 'Whoever receives you, receives me'

We can serve God by welcoming others and be glad that Jesus welcomes each one of us.

Can you design a welcome mat?

We are sure you can do better than this one! Or maybe you could make a table mat that has a message on to make the person you give it to feel good, or make one for yourself.

While you are doing this activity, why not listen to The Welcome Song and think about how you welcome God into your home and make it a place of welcome for everyone who visits you there.

The link below to you tube is the Welcome Song and it lasts for 4mins 24 secs

Have a good week everyone!
