

*Hello from the Junior Fun Church at
Fareham Methodist Church*

Have you ever read the Funnybones book? Many children and families have enjoyed this funny and scary story.

In Paul's letter to the Romans Chapter 12 verses 4-8, he says that the different parts of our body do different things but they are all part of our one body.

There is an old song about bones which includes these words:

*The foot bones connected to the heel bone
The heel bones connected to the ankle bone
The ankle bones connected to the leg bone
The leg bones connected to the knee bone
The knee bones connected to the thigh bone
The thigh bones connected to the...etc*

You can watch the song here if you wish: <https://youtu.be/OCtneZbJb3Q>

Just as all the bones and every other part of our body is inter-connected so are we as the people of God. Just as each part of the body is good at what it does, we each have different skills and talents which we can use for the work of God. If you wish, choose something you are good at and go and enjoy doing it now.

Have a good week!
