

## Fareham Methodist Church

Do you remember when you first started to learn how to colour? If you were like most children, you probably coloured all over the page without staying in the lines. If you wish, colour in the tree as carefully as you can.

We read in the Bible how God gave us the Ten Commandments through Moses. These tell us the things that we should and should not do. Some people don't pay any attention to these guidelines that God has drawn for them. They just do whatever they want and make a mess. It's as though they are colouring outside the lines.

Other people try to read the Bible and follow God's rules. They try to stay within the guidelines that God has set. Oh, they may still get outside the lines at times, we all do. Getting outside the lines is called sin. That is why we all need Jesus because we all get in a mess sometimes. None of us stay inside the lines all of the time.

Dear Lord, help us to remember that You set guidelines for us. Help us to keep to them so that our lives will be pleasing to You. In Jesus' name, Amen.
