

# Hi from the Junior Fun Church at Fareham Methodist Church

Have a look at the activities going on above. Which would be the one you would like to do most? The one you have chosen might be one you are good at or one you would like to be good at.

Things we are good at are sometimes called talents. In the Bible Jesus told a parable about using our talents. He teaches us that we should use our talents to make the world a better place not hide them away or keep them to ourselves.

If you have some time choose something you like doing or are good at to share with someone you live with. So make a model, draw a picture, sing a song, dance around, write a story or a poem, play with a ball.....whatever you choose, enjoy your talent and the song below!
