

Hi from the Junior Fun Church at Fareham Methodist Church

Look at these people waiting at the bus stop

Today is the first Sunday in Advent. Advent means 'The Coming'. We are waiting for the coming of God. Look at the people expecting that the bus will come. We too must be expectant, knowing that God will come again in the person of Jesus, born as a baby in Bethlehem sometimes called Emmanuel meaning 'God with us'.

If we were in church today, we would light the first candle on the advent ring. There is Light for the World and Hope for us all because Christmas is coming.

If you wish, design and make a Christmas card for someone you know, maybe have a candle or star on it to remind you and them of the Advent light.

While you are doing that or after, you might like to listen to this song, Waiting for Christmas: <https://youtu.be/sp6OWxt2Rew>

Have a good week everyone!
