

# *Hi from Junior Fun Church at Fareham Methodist Church*

*What is the link between a  
traffic light and a television remote?*

*No this is not a joke! The link is 'control'. The lights control the flow of traffic and a tv remote helps us change channels, control the sound or fast forward through adverts etc.*

*Today's Old Testament Bible reading (Deuteronomy 18: 15-20) encourages us to listen to God. When we pray, if we close our eyes, we shut out the colours around us and can concentrate on being still and quiet and perhaps listen to what God might be saying to us.*

*At other times when we are busy or confused, we might need to just stop as though we are at a red traffic light, listen to God and get ready to go again (at the amber light) then really get moving (God's green light) with what we now know is the right thing to do.*

*If you feel out of control then remember the traffic lights!*

**STOP!**

**LISTEN** and get ready to

**GO FOR GOD!**

*If we listen to God then we can take control of all that we are doing.*

*Can you design a sign with the words: **STOP LISTEN GO** ?*

*Have a good week everyone!*
