

*Hi from the Junior Fun Church*

*at Fareham Methodist Church*

*Wow! Look at these two pictures. Both are real photos. The one on the left we can admire from afar. The one on the right is maybe not too far away, if and when we are lucky enough to go for a woodland walk.*

*Can you think of any places you have been when you have said 'Wow'?*

*In the Bible reading for today from Mark's Gospel Chapter 9, verses 2-9, Jesus takes 3 of his disciples with him leading them up a mountain. Near the top, Peter, James and John have a 'Wow' moment not because of the view from the mountain, but because they see a change in Jesus helping them realise that he really is from God.*

*Help us to recognise 'Wow' moments in everyday life as well as at special times.*

*If you wish, use the title; 'Wow, what a wonderful world!' to draw a picture or write a poem about somewhere you have been or seen and said, 'Wow!'*

*Have a good week everyone!*
