

## *Hi from the Junior Fun Church at Fareham Methodist Church*

With Covid restrictions, we have all missed being together, celebrating birthdays, cheering on sports teams, dancing and many other activities.

The Bible reading for today is from Mark's Gospel and tells how Jesus rode into Jerusalem on an untamed donkey. Crowds were cheering, waving palm branches and laying palm leaves on the ground. The people were excited and full of expectation that Jesus was the special one sent from God.

Today is Palm Sunday when we remember Jesus on the first day of Holy Week.

If you wish, try to make a palm leaf or flag or banner and write a message welcoming someone you haven't seen for a while. You might like to make up a welcoming song or chant instead or as well.

We hope you enjoy the pictures of happy people that go with the song: This is the Day that the Lord has made! <https://youtu.be/cccJhMVFrLs>

*Have a good week everyone!*
