

*Hi from the Junior Fun Church*

*at Fareham Methodist Church*

We are lucky to live near the sea. Water can be fun but also very dangerous. These children are all wearing life jackets to keep themselves safe. There is a story about some people who went fishing in a boat. Before they left, everyone put on a life jacket and were ready to go, all except one man who didn't want to wear one. A storm came, the wind blew and the waves became so high that they turned the boat over. The people wearing life jackets made it to shore. But the man who didn't want to wear his life jacket drowned. The man could have been saved if he had chosen to wear a life jacket.

The story is a reminder of something the Bible tells us in John 3 verse 16: "God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life." Jesus is our life jacket. God sent Him to earth to save us. All we have to do is believe and accept Jesus as our saviour. We'll still face storms, but when we do, we'll have our life jacket-- Jesus is our lifesaver.

If you wish, try and join in with the words and actions from this song called: 'God so Loved the World'. Enjoy!
