

Hi from the Junior Fun Church

at Fareham Methodist Church

These pictures show how people dressed around the time of Jesus. In Mark's gospel Chapter 6 verses 1-13, Jesus asked his disciples to go and tell others about God. He sent them off in pairs, saying they need not take anything other than the clothes they are wearing and to trust that people in the towns and villages would offer them food and somewhere to stay.

What trust they must have had to do that, and what message is there for us?

What is important to us? Is it how many toys or books we have? Do we have someone who loves us? Hopefully people in our family love us and we love them.

It is important is to love and be loved. Let us be glad that Jesus loves each and everyone of us.

Try to make up some actions to this song, Jesus' Love is very wonderful. https://youtu.be/CaMVjO_GruA

Have a good week everyone!
