

*Hi from the Junior Fun Church*

*at Fareham Methodist Church*

In the Old Testament, the book of Psalms is a collection of songs and poems praising God.

Psalm 24 begins: *The earth is the LORD's, and everything in it.*

This short statement is a clear message to all of us that we have a responsibility to look after the world and everyone in it.

Two or three years ago a young Swedish girl called Greta Thunberg, began to share her very real concerns that governments were not listening to the scientific evidence about climate change.

There is so much beauty in the world around us and so many people who do good things that we need to each do our own bit to look after the bit of the world we live in and the people around us.

Here is a great song using the words of Psalm 150

It finishes with the words:

'Let everything that has breath praise the Lord' Let's do just that!

*If you wish, try and write your own song or poem of praise*

*Have a good week everyone!*
